Miss S. Atkin,

3 Hoskin Avenue, Toronto.

Dear Miss Atkin:

I am interested in what you say as to the possibility of graduates of University College raising money for a women's building. If you come to see me to-morrow night, any time between 7:15 and 7:30 I should be glad to talk this matter over with you. I have an engagement at eight o'clock. Would you be good enough to telephone to me whether you could come ?

Yours sincerely,

President.
